Petition To Change Inventorship
Mailing Date May 29, 2002

MBE-002

Applicant(s) respectfully petition(s) the Commissioner of Patents and Trademarks under 37 C. F. R. §1.47 to change the inventorship of the above-identified application to delete Amnon Shashua as an inventor.

Attached hereto is a Declaration of Amnon Shashua attesting to the fact that he has reviewed the application, including the claims, and believes that he is not an inventor. In addition, attached is a Declaration and Power of Attorney signed by inventor Gideon P. Stein attesting to the fact that he is the inventor.

The error in inventorship arose as follows. The undersigned filed the above-identified application on November 26, 2000, and identified as inventors those persons who were identified on the provisional application from which this application claims priority, without further consulting the inventors and assuming that the inventorship identified on the provisional application was correct. Subsequent consultation with Amnon Shashua, who had been identified as an inventor on the provisional application, indicated that he was not an inventor, and so we are petitioning to have him deleted as an inventor.

Attached is a check in the amount of 130.00 to cover the petition fee.

Respectfully submitted,

Richard A. Jordan

Applicant respectfully petitions the Commissioner of Patents and Trademarks to revive the above-identified application, which was unintentionally abandoned for failure to respond to the Notice To File Missing Parts dated May 29, 2001. Applicant states that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C. F. R. §1.137(b) was unintentional.

A Response to the Notice To File Missing Parts is attached, which is the response required for the Notice To File Missing Parts. Included with the Response to the Notice To File Missing Parts is a Declaration and Power of Attorney signed by the inventors and a Petition To Change Inventorship to delete one of the originally-named inventors (Amnon Shashua) and a check covering the filing and surcharge fees and the fee for the Petition To Change Inventorship, altogether amounting to \$565.00. The check, which totals \$1205.00, further includes an additional amount of \$640.00 to cover the fee for this Petition to Revive. Applicant is a small entity.
